

## **5 Not-So-Popular Yet Mind-Blowing Romantic Getaways Around the World**

If last few months were quite hectic days for you and your beloved one, planning a trip to a romantic destination is a choice worth considering. Escape to a beautiful romantic destination and unwind yourself. Like most travelers out there, you can choose from those famous tourist destinations. But if you are looking around for a destination that is not-so-famous yet offers a wide pool of pleasant delights, you have come to the right page. Read on.

Here are my favorite top 5 romantic destination in the world that will bring in some extra thrill and fun to your romantic holidays together.

### **Sri Lanka**

Though Sri Lanka is quite popular as an exotic holiday destination, it isn't in rage amongst honeymooners and couples. However, if you are a couple who would love to indulge into adventure sports, beautiful culture, interesting history, mouthwatering food and swim into the nature's wonders then Sri Lanka is the place to be. Leisure couples may simply relax at a beach and enjoy the weather, food, and each other's company far away from home.

### **Finland**

You probably know Finland as the manufacturing home of the Nokia. But the country has a lot more than this on offer. It is one of those few places on the earth where you can stay in an ice hotel and enjoy sleeping on ice beds. Enjoy ice fishing, visit the tiny village of Inari and experience sauna bathing while in the country.

### **Vietnam**

Are you fond of Asian culture? If yes, Vietnam will not disappoint you. Home to pristine white beaches with soothing weather, a breathtaking coastline, stunning parks and intact native culture, this Asian travel destination will make you return home with a whole bunch of unforgettable memories.

### **Suriname**

What makes this place unique is that you won't see touristy crowd upon your arrival here. In fact, not many people out there might have heard of this place before. But the place has it all to make your trip exotic and enthralling. Situated on the northern shoreline of South America, Suriname is a former Dutch colony thriving a wonderful tropical climate and spectacular beaches making it a perfect spot for romantic holidays. Trip to Suriname won't cost you a bomb and you will enjoy a complete privacy during your stay.

### **Tanzania**

Unleash your wilder side on a traditional safari and other road trips in Tanzania. Try the African way of romance with a dinner under the starry sky and in a peaceful night at your booked hotel. The place is home to a quarter of Africa's wildlife heritage.

Traveling to a hill station of a beach destination isn't a trend anymore. How about experiencing something different, rather unique in your next romantic tour?
